Gospel  
 Luke 14.25-30, 33

One day, when a large group of people was listening to Jesus, he said to them,

“If you want to be my disciple, you must love me more than anyone. You must love me even more than you love yourself. If you really want to be my disciple, you must be willing to carry your cross and follow me.”

Then Jesus gave them this example:

“Suppose you want to build something. The first thing you would do is sit down and think about what you need to build it and how much it will cost. Then you would see if you have enough money to pay for it. For if you don’t plan before you start, you might get only part of it built and not be able to finish it. And people will say how foolish you are because you weren’t able to finish what you started.

“So, you must be willing to give up everything you have if you want to be my disciple.”

**Prayer:** God of mercy, Jesus showed us how much you really love us by dying on the cross for our sake. Give us the generosity to follow him and spend our lives helping other people. We make this prayer to you through Christ our Lord. Amen.
