**Jesus
Heals the
Leper**

Gospel
Mark 1.40-45

One day a man who had leprosy came to Jesus because he wanted Jesus to heal him. He knelt in front of Jesus and said,

"If you want to, you can cure me."

Jesus felt very sorry for the man and so he reached out and touched him, and said,

"I do want to cure you. You are cured right now."

The man was cured of his leprosy immediately.

Then Jesus warned the man, saying,

"Now don't tell anyone about this. But go and show yourself to the priest as Moses said. Make an offering because you have been cured."

Instead, the man went away and began to tell everyone what happened. Because of this, Jesus was not able to go into any town without being noticed by everyone. So he stayed outside of the towns, but people still kept coming from everywhere to see him.

Prayer: Healing God, there are many people who need our friendship, sick people, lonely people, people we do not like. Put in our hearts a real love for them. We make this prayer to you through Jesus, your Son. Amen.

Jesus cures a leper!
