Gospel  
John 3.14-21

Jesus said to Nicodemus:

"God's Chosen One must be lifted up so that everyone who believes in him will live forever.

Yes, God loved the world so much that God sent the only Son into the world. Everyone who believes in him will live forever.

God did not send the Son to judge the world, but to save it. Everyone who believes in him is saved.

Those who refuse to believe in him are already being judged. And this is how they are judged: when the light came into the world, they chose to stay in the dark instead of coming into the light. They liked to stay in the dark, because the evil things they are doing are very evil. In the dark, no one can see the evil things they are doing.

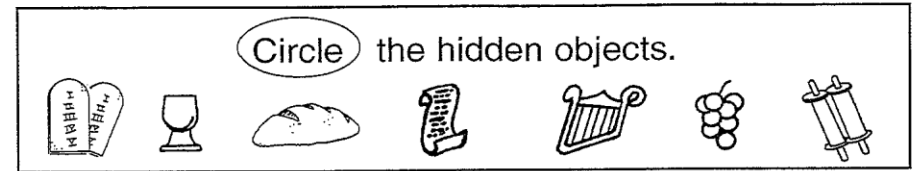

Those who do good things love to come into the light. In the light, everyone can see they do good things because they believe in God."

**Prayer:** Saving God, you sent Jesus to wash away our sins and help us to see things your way. Do not let our hearts go blind by not loving other people as much as we love ourselves. We make this prayer to you through Jesus, your Son. Amen.

God sent Jesus to the world.
